

Project Christmas 2021

PROVIDING ASSISTANCE TO LOCAL FAMILIES IN NEED
FOR THE 7TH HOLIDAY SEASON

As of Nov 30th-

We currently have nearly 150 kids on our standby wait list. We can't help these kids & their families without the donations (both items and monetary) needed to serve them. Please help! We don't want any families left on our standby list on Dec 23rd.

4 simple ways YOU can help: Order a wishlist item for a child in need.

Details about all the children, their family circumstances & more are on our website at the top of this page.

We need Christmas Lights, Ornaments & Decor!

All families want to put up a Christmas tree for their kids. We Need: Artificial Trees, Light Strands, Tree Ornaments, indoor & outdoor decor items, table items, holiday pillows & throws, snowmen, Santas, Nativity Scenes, wall hangings, etc.

We're also collecting Gift Wrap, Gift Bags, Ribbon & Scotch Tape

We're collecting toiletries & cleaning products!

We're collecting 24.7 at the Voorhees address above

Give any amount at our online GoFundMe:

We have **ZERO** paid staff, and **ZERO** overhead
(a single family covers our operating costs)

EVERY PENNY we raise is spent on the families we assist each year, making sure wish lists are fulfilled & families get the household cleaning products they need (most foodbanks don't help with these items).

To assist every eligible family in the project this year, we would need to raise just \$4800 - that's it.

Every dollar goes a LONG way. Please give if you can.
